

ES0009 Where Are My eSlips Being Sent?

Your eSlips may be going to the e-mail address specified in the “**8 - Settings - eDelivery-eSlips**”

In the **MASTERCAM BrokerEDIPC E-Mail-EDI Engine .NET** program folder select the “**8 - Settings - eDelivery-eSlips**” program item and click the “**General**” tab, as shown below.

The screenshot shows a Windows-style dialog box titled "BrokerEDI/PC E-Mail/EDI Engine eSlips Logs & Settings". It has three tabs: "Logs", "General" (selected), and "Advanced". The "General" tab contains the following fields and options:

- eSlip Values**
 - Insurance Broker Name:
 - Yes, use this PCVEH Description:
 - Yes, for eSlip testing use this email address:
- Connection to eDelivery Web Services Server**
 - Server Name:
(username@csioprd.onmicrosoft.com)
 - User ID:
 - Password:
- Portal URL:

At the bottom, there is a copyright notice: "Copyright (c) 2017-2018 MASTERCAM Consulting Ltd. All Rights reserved. Ver 1.2" and two buttons: "OK" and "Cancel".

If the checkbox “Yes, for eSlip testing use this email address:” is checked, your eSlips will be going to that email address.
